## **GEORGE A. ROMERO'S *APP OF THE DEAD* WEBSITE, FACEBOOK AND TWITTER NOW LIVE**

**Los Angeles, California– May 18, 2010** – Just in time to prepare for the impending iPhone and iPod Touch onslaught of the living dead, George Romero's *APP of the DEAD* has a new website, facebook page and twitter feed!

Now you can check out Romero's *APP of the DEAD* for iPhone and iPod Touch App in action, watch the trailer, learn how you'll be zombifying your friends and family once the app comes out in the upcoming weeks as well as become a fan of the app and follow breaking news so you can avoid succumbing to the zombie infestation.

Website: [www.appsofthedead.com](http://www.appsofthedead.com)

Facebook: <http://www.facebook.com/#!/pages/App-of-the-Dead/119297851433641?ref=ts>

Twitter: <http://twitter.com/appofthedead>

In anticipation of Romero's latest feature, *George A. Romero's Survival of the Dead*, premiering in theaters May 28, *APP of the DEAD* makes you the director, allowing you to turn your friends and family into the most twisted, ghoulish shufflers. Take pictures or import photos from existing galleries and bring them to undead glory with grisly scars and bloody wounds!

For more information about George A. Romero's *Survival of the Dead*, which hits theaters across the nation on May 28, 2010 after debuting on VOD, Amazon and Xbox LIVE on April 30, visit <http://www.facebook.com/pages/Survival-of-the-Dead/210457192019>
