Winner of the E3 Game Critics *Best Original Game* and *Best Motion Simulation Game*, as well as more than 30 additional awards and nominations, *Dance Central* is a full-body, controller-free dance video game with fun choreography for beginners and experts. Whether rehearsing in *Break It Down* or owning the dance floor in *Perform It!*, players will be introduced to more than 650 moves in the game and more than 90 dance routines created by professional choreographers. In addition, players can earn achievements, unlock new character outfits and venues and progress through the dance ranks. *Dance Central* even gives players a calorie-burning tracking option so they can turn all that fun into an actual workout. In Dance Battle, players can challenge friends to an epic living room showdown.

Developed by Harmonix, the world’s premiere music videogame developer, published by MTV Games and distributed by Microsoft, *Dance Central* will ship on Nov. 4, 2010, in North America exclusively for Kinect™ for the Xbox 360® video game and entertainment system from Microsoft (U.S. ERP: \$49.99) and on Nov. 10, 2010 in Europe (UK ERP: £39.99 / EU ERP: €49.99).
