

MEDIA ALERT

Unearth the Fun – Check Out What’s Going On This Month in *Dragonica™ Online*!

To gear up for April, THQ*ICE’s award-winning free-to-play MMO [Dragonica™ Online](#) has announced enough events and activities to fill an Easter basket. Why wait around for the Easter Bunny when you can take advantage of any number of *Dragonica Online*’s epic events right now?

From April 4 through April 25, THQ*ICE will be running a special promotion for the new \$10 Dragonica Online Earth Series Game Cards. When players redeem a \$10 Earth Series Game Card (available for purchase in GameStop in the U.S. and various retailers in Canada), they will receive a special Orange Wreath that is usually available only for those redeeming a \$25 Earth Series Game Card. In addition to receiving the Orange Wreath, gamers that redeem the Cards during the promotion will get three 30% Experience Potions that last 20 minutes each – that’s a full hour of bonus EXP!

Additional events taking place this month include:

- **Each Tuesday, Thursday and Saturday – Quiz Time:** The long awaited return of the OX Quiz! Now occurring three times a week at 5 p.m. Pacific, the quiz has three questions, each worth a Gada Coin for the chance to earn up to nine Gada Coins each week. Are you wise enough to earn them all?
- **Every Tuesday in April – EXP Boost:** From 4-8 p.m. Pacific, we will be boosting EXP rate to +50%.
- **April 2nd - 4th: Catch That Bunny:** Spot the dancing GM player in a bunny outfit to receive special prizes.
- **April 8th – April 22nd – PvP Battle Royale:** Players that earn Accomplishments related to winning PvP matches will earn a special prize.
- **April 13th – April 19th – Tax Rebate Sale:** Special reduced prices to spend your tax rebate on.
- **April 15th – Tax Day Gold Increase:** To celebrate tax day, we will double the gold amount for killing monsters all day!
- **April 22nd – April 25th:** Earth Day +40% EXP Boost

Set in a world of dragons and magic, *Dragonica Online* takes adventurers across the windswept land of El Grego to the far reaches of the world. Gorgeous visuals complement

lightning fast combat while 3D battlegrounds let you get the upper hand on opponents. ***Dragonica Online*** is the only fantasy action massively multiplayer game that merges innovative 3D side-scrolling, arcade combat, and a comical, yet devastating, skill system into a single MMO. Combining vibrant graphics and expansive player freedom, ***Dragonica Online*** breathes new life into the traditional side-scrolling MMO and is set to become one of the leading free-to-play MMOs in the industry.
