## FizzPow Games Announces *PandaMania: Legend of the Fu Manchu* Available Now for Apple® iPhone™ and iPod® touch!

Colorado Springs, Colorado – March 17, 2010 – FizzPow Games, an independent development studio creating innovative games for the Apple® iPhone™ and iPod® touch, invites you into a world of archery and evil bandits with its latest app, *PandaMania: Legend of the Fu Manchu*. Breathing new life into the old fashioned castle defense games, *PandaMania* puts the power of the new genre “bow defense” in the palm of your hands! With original arcade action, *PandaMania* appeals to both casual and hardcore gamers alike and is guaranteed to have you hooked from the start.

“PandaMania offers endless amounts of gameplay elements sure to keep you playing for hours,” said Michael Stockwell, founder of FizzPow Games. “From upgrades to enemies, power ups to combos, users are continually challenged to build their skill level while increasing their scores in order to dominate the land. So take aim, young bowmaster! Destroy the hordes of baddies to regain your honor and recover your Fu Manchu!”

With your bow and arrow in tow, prepare to set out in search of the evil enemy who has stolen your most essential source of strength, your epic Fu Manchu mustache. Putting your superb archery skills to the test, you begin your journey across the world in the hopes to regain your power. Throughout the lands of *PandaMania*, you will be challenged by evil bosses while you fight to free all the villages taken

captive by the hordes of bandits. Upgrade your arrows, shooting ability and tower, and with each level conquered you move one step closer to regaining your Fu Manchu and becoming the bravest warrior in all the land!

**PandaMania features include:**

- Intense arcade-style tower defense action with 50 challenging and unique levels
- Progressive storyline filled with hilarious comic graphics
- Levels span five diverse lands from rolling green mountains to towering volcanoes
- Each land presents new and creative boss fights, challenging you to find the enemy's weakness in order to achieve victory!
- Numerous upgrades will keep you and your bow one step ahead of the advancing hordes

**PandaMania** can be found on the iTunes App Store for a special introductory price of \$1.99. Click [here](#) for a direct link.
