Complete the Epic, Intergalactic Journey as Frima Studio's Latest Mini, *Widgets Odyssey II*, Launches Today!

Quebec, Canada – August 4, 2010 – Frima Studio, a leading and award-winning multiplatform game developer based in Quebec, announced today that ***Widgets Odyssey II*** is now available on the PlayStation Store in North America for only \$1.99 USD! As a PlayStation Mini title, playable on both the PlayStation®3 computer entertainment system and PSP® (PlayStation®Portable) system, ***Widgets Odyssey II*** is a puzzle-laden, space-faring, platforming adventure that follows in the footsteps of its prequel, ***Widgets Odyssey***, which was launched on July 6.

Along with ***Widgets Odyssey***, ***Widgets Odyssey II*** represents the conclusion of Frima's "Summer of the PlayStation Mini" which also included the launch of ***Young Thor***, one of the most critically successful PlayStation Minis in history.

In the ***Widgets Odyssey*** saga, five robots aboard their space vessel have just one simple mission... to save the universe from the tyrannical Yagor and his evil henchmen! Armed with the abilities of Spad, Cosmo, Bruce, Helmut, and Monk, players will guide each robot

along their exciting adventures filled with puzzles, mazes and minigames.
