*IGT Brings Definitive Slot Experience to iPhone With Videogame Inspired by Popular “Cleopatra”
Slot Machine*

LAS VEGAS, Nev. – August 4, 2009 – Million-2-1 and International Game Technology (NYSE: [IGT - News](#)), the world’s premier slot games provider, announced today Cleopatra® is available now for your iPhone and iPod Touch on the Apple App Store!

Now fans everywhere can enjoy Cleopatra®, one of the most popular ‘real life’ slot games ever, on the go. Enjoyed in casinos around the world, this 5-reel, 20-line game replicates the original slot game authentically making Cleopatra® the definitive slot experience on the iPhone and iPod Touch platform.

“After enjoying so many years of success with the Cleo slots in real casinos, we’re thrilled to allow players to enjoy Cleo now on the iPhone and iPod Touch,” said Chris Sheffield, Director and General Manager of Remote Gaming for Million-2-1, an IGT Company.

Developed by the original creators of the land-based version, Cleopatra® on iPhone and iPod Touch boasts unparalleled graphics and an unbeatable range of unique features that sets it apart from any other slot games out there.

The innovative and exciting ‘Tournament’ mode lets you challenge yourself and other Cleopatra® players around the world to achieve the best scores and earn a place on the global leader board! Competitive gamers can apply a winning strategy by changing the number of lines and credit stake on each spin!

Have fun by shaking your iPhone or iPod Touch to spin the reels! Remember, 3 or more Sphinx symbols appearing anywhere on the reels start the Cleopatra Bonus™. Not only do you earn 15 free spins but all wins are 3 times their normal value!

This game is for amusement only and does not replicate the odds of winning or the payouts of similar IGT casino games.

You must be 21 to gamble.
