

JV Games Announces *Pong Toss Pro - Frat Party Games*® Available Today Exclusively on WiiWare™

Splash into summer with the hottest pong videogame

Las Vegas, Nevada—June 28, 2010—JV Games, a unique and leading developer of frat party styled interactive videogames, announced today that ***Pong Toss Pro - Frat Party Games***® is available now on Nintendo's WiiWare™ for 600 Wii Points™! Following the success of the first ***Frat Party Game- Pong Toss, Pong Toss Pro*** is available exclusively on Wii™ home video game system from Nintendo.

"Pong Toss Pro offers more competition, more gameplay and tons of new features for hours of non-stop pong tossing fun," said Jag Jager, project and design director of JV Games. "This is the ultimate all-around family fun game for the Wii and is so simple even your grandma can play it. Pong Toss Pro is the must-have party game for every Wii owner and is perfect for all occasions!"

Pong Toss Pro-Frat Party Games game features include:

- Traditional bracket style tournament play
- Completely redesigned pixel accurate throwing system
- Brand new audio engine
- Redesigned and revamped graphics
- One to four players in local hot-seat mode
- Multiple gameplay modes including practice mode, free mode and tournament mode
- Speed Pong mode that allows two or three players to compete for the fastest time
- A wide variety of pong environments and table designs to choose from

Pong Toss Pro - Frat Party Games is rated "E" for everyone by the ESRB. For more information regarding ***Pong Toss Pro - Frat Party Games*** and JV Games, please visit: www.jvgames.com or www.fratpartygames.com.
