SPACE EMPIRES: BATTLE FOR SUPREMACY OUT NOW ON FACEBOOK

Join the Galactic Bid for Dominance in the Latest and Greatest Entry in the Space Empires Legacy

San Francisco, CA — July 27, 2010 - Nviniun Games Inc., a social entertainment and gaming network, announced today the launch of ***Space Empires: Battle for Supremacy***, a social RPG for Facebook. Set in a galaxy torn asunder, it's up to you to take control over multiple star systems and reign supreme over every man, woman and child who dares defy you. ***Space Empires: Battle for Supremacy*** is the latest installment in the Space Empires Legacy, which has garnered a huge following since its launch in 1993.

"Launching a Facebook game of this magnitude has certainly been a challenge, but I am extremely proud of what we have built," said Matt Abrams, CEO of Nviniun Games. "Space Empires: Battle for Supremacy is an experience that can be enjoyed by everyone, from hardcore Space Empires fans and Sci-fi enthusiasts to the casual Facebook user. Bridging the gaps between these types of players has been our biggest goal, and we simply cannot wait to see all types of players embark on this journey together."

Space Empires: Battle for Supremacy marks the beginning of a new chapter in the series that gives players the ultimate experience in a real-time 3D universe. The original Space Empires released in 1993, has become one of the top 4X strategy games and has spawned four sequels. The award-winning series' most recent iteration, Space Empires V, features a completely updated UI and takes the player into a real-time rendered 3D universe. Space battles play out with incredible detail and realistic effects in a huge living and breathing galaxy. The series has received countless accolades for its creativity, originality, and mod-friendly environment.

***Space Empires: Battle for Supremacy* Game Features:**

- Detailed tactical combat pitting players to pilot the Command Ship and three Class 1 War Ships to take down their enemies (translation: Facebook friends)
- An expansive galaxy to explore, with 100 solar systems each playing host to 15 planets
- Access technology through research facilities and earn points over time with improvements and upgrades
- Climb the leaderboards and master the four pillars of gameplay: military strength, empire dominance, racial superiority and crop mastery
- Use structures and resources to conquer the galaxy one planet at a time
- Test your mettle against friends and foes in real time, head to head battles for experience and bragging rights

The Space Empires series dates back to the beginning of time, when the battle for galactic domination and survival waged on between races throughout space. In a constant competition, different races used their powers

to conquer and colonize a multitude of planets and keep them safe from rivals. For more information about Space Empires: Battle for Supremacy, please follow us on [Facebook](#), [Twitter](#) or visit us at www.playspaceempires.com.
