

Playlogic Games Survival Horror Title *Obscure: The Aftermath* Pricing Slashed 50% on PlayStation®Network

Amsterdam/New York – June 1, 2010 – Playlogic Entertainment, Inc. (Nasdaq OTC: PLGC.OB), an independent worldwide publisher of entertainment software, is pleased to announce today that its classic Survival Horror title ***Obscure: The Aftermath*** will be slashed 50% throughout PlayStation®Network for all PSP™ owners. Be sure to check your local PlayStation®Store for up to date pricing. This fantastic deal will only be available from June 1-15, 2010, so don't be afraid to download this steal of a deal!

Obscure: The Aftermath is a classic survival-horror title with wonderfully executed, atmospheric and eerie 3D environments coupled with a chilling soundtrack. With outstanding combat and dynamic gameplay, players will control one of six characters in this teen-slasher monster fest. In a desperate bid to survive the horror, players can double up with co-op mode in their frantic battle to escape the nightmare. It's a constant struggle to stay alive in a world where you're outnumbered and outgunned.
