CREEDENCE CLEARWATER REVIVAL DEBUTS ON ROCK BAND

Cambridge, Mass. – July 2, 2010 – Harmonix and MTV Games today announced that American rockers Creedence Clearwater Revival will make their *Rock Band* debut next week in the *Rock Band* Music Store of downloadable content for the Xbox 360® video game and entertainment system from Microsoft, PlayStation®3 computer entertainment system and Wii™.

With more than 400 artists, including Jimi Hendrix, The Who, AC/DC and Green Day, who are exclusive to *Rock Band*, as well as more than 1,500 songs available through the *Rock Band* platform and 70 million songs sold through its download store alone, *Rock Band* is the undisputed sales and content leader in the interactive music space, providing the deepest and best selection of artists, songs and albums.

Rock Band DLC additions for Xbox 360, PlayStation 3 system and Wii

In the short years that Creedence Clearwater Revival were active, the band, composed of John Fogerty, Tom Fogerty, Stu Cook and Doug Clifford, racked up quite an array of hit singles, and now fans of the roots rock band will be able to play those songs in *Rock Band*.

Although the band is known for their southern rock sound, CCR actually formed in the San Francisco area in the late 60s. The band went on to sell 26 million albums in the United States alone, before disbanding in 1972, and was inducted into the U.S. Rock and Roll Hall of Fame in 1993. "Creedence Clearwater Revival Pack 01" will feature 12 of the bands biggest hits, available next week in the *Rock Band* Music Store.
