

ZEN Studios Announces *MARS*, the Latest and Greatest Add-On Table for *ZEN Pinball*, is Now Available!

Prime Your Jets and Set Flight Exclusively Onto PlayStation®Network

Los Angeles, Calif.—July 27, 2010—ZEN Studios, the definitive leader in pinball videogames, announced today that the ***MARS*** table for its acclaimed ***ZEN Pinball*** is available today exclusively on the PlayStation®Network! The ***ZEN Pinball: MARS*** table is the latest expansion table in the series of ZEN Pinball tables and is available for only 2.49 USD/1,99 EUR! Players can now experience the signature space exploration tactics of ***MARS*** along with the fast paced action and cutting edge visuals that ***ZEN Pinball*** delivers in every table.

As mission commander of the spaceship Phoenix, your mission is to unlock the red planet's secrets. Players will be challenged to activate the secret portal of lights and restore the Mysterious Pyramid in their space adventure through the planet ***MARS***.

ZEN Pinball MARS Table Features:

- Dock the spaceship and activate the magnetic crane to collect space samples
- Land with the space spider to analyze the ancient Martian symbols
- Call in the satellite to scan distant galaxies, calibrate its solar collector and activate its electromagnetic fields to lock three balls
- Restore the Mysterious Pyramid, then deactivate its defense system
- Spell out MARS to activate the secret portal of lights
- Repair the artificial gravity reactor to stabilize gravity on MARS

Developed by ZEN Studios, the ***MARS*** table joins ***Earth Defense***, ***Ninja Gaiden Sigma 2*** and ***Street Fighter*** as the fourth PSN expansion table for ***ZEN Pinball***, with several more slated for release in the coming months.
