ZEN STUDIOS UNVEILS ZEN PINBALL NINJA GAIDEN SIGMA 2 TABLE FOR PLAYSTATION®NETWORK

ZEN Pinball developer partners with Tecmo® for Ninja Gaiden Sigma 2 inspired expansion table

LOS ANGELES, Calif. – October 6, 2009 – ZEN Studios, the definitive leader in arcade-style pinball videogames, announced today a partnership with Tecmo® to create the **Ninja Gaiden Sigma 2** expansion table exclusively for PlayStation®Network. Inspired by one of the most intense action game franchises of all time, the table combines the same **Ninja Gaiden** slice-and-dice presentation that defines the series' paired with the fast-paced action, stunning visuals, and true-to-life ball and table physics from **ZEN Pinball**. This expansion table for the critically acclaimed **ZEN Pinball** is currently in development and is scheduled for release in October, 2009.

ZEN Studios takes pinball brutality to a whole new level as players become super ninjas, exploring the Sky City Tokyo themed table with a multi-level playfield, several speedy ramps, hidden holes, and tricky platform jumps. Boasting a record five multiball game modes, the **Ninja Gaiden Sigma 2 Table** features a massive amount of killer new action-packed missions to complete where as players can unleash a ridiculous amount of punishment with lightning-fast weapon combos, ball slicing effects, electricity charged ramps and much more!

Developed by ZEN Studios, the **Ninja Gaiden Sigma 2 Table** is one of the several expansion tables slated for release within the coming months. For the latest news and information on **ZEN Pinball** and to view screenshots from the table, please visit the official website at www.ZenPinball.com.

Ninja Gaiden Sigma 2 is rated "M" by the Entertainment Software Ratings Board (ESRB). For more information about **Ninja Gaiden Sigma 2**, please visit www.ninjadengame.com.
